Outside School Hours Care

Vacation Care Program Information & Booking Forms

Please read the following information regarding our vacation care program before booking.

FEES: The costs of any incursions, excursions or additional activities are added onto your fees. Therefore, there is no need to send money in with your children on the day of an excursion. **Bookings made within 7 days of the attendance will incur a late booking fee of \$5.00 per day.** All fees are to be finalised by the end of the vacation care. The centre accepts bank transfers, cash or EFTPOS payments. Where your child is absent on their last day of attendance, full fees will be charged.

CANCELLATION: A full 7 days' notice is required for any cancellations or full fees will still be charged. Where there is an optional activity, incursion, or excursion, these additional fees will also still be charged if 7 days' notice is not provided.

SESSIONS: We offer two sessions: a 12 hr session from 6:00am to 6:00pm, and a 9 hr session from 8:30am to 5:30pm. Your child can only attend within their session hours. 24 hours' notice (and staff availability) is required for alteration of session times. **Children booked for 9 hr session who attend before 8:30am or after 5:30pm will be switched to the 12 hr session with a \$10.00 fee charged.** Children booked for 12 hr session who attend before 6:00am or after 6:00pm will be charged at a rate of \$4.00 per minute.

FOOD: During vacation care, our service **does not** provide food for children, however **tuckshop is available**. We have 3 breaks. If inadequate food is provided and our service is required to provide, an additional fee may be charged. We are unable to reheat food. We aim to be an **egg and nut free service**, so please **refrain from packing your child any food that contains eggs or nuts** wherever possible. If packed, your child may be moved away from key eating areas to eat any foods that contain these items.

CLOTHING: Enclosed shoes and a wide-brimmed hat (**clothing such as flip-flops, visors and/or caps are not appropriate**) are a must during vacation care for health and safety. Children without may be unable to participate in certain activities at the discretion of the responsible person in charge at the time. When swimming, a rashie or swimming shirt is required that covers the shoulders.

EXCURSIONS: A completed permission form must be returned to the centre with a parent/guardian signature prior to the excursion. Unfortunately, if we do not have a completed permission form your child will be unable to attend the excursion. Phone or verbal permission is **not** suitable for permission for children to attend the excursion and will not be accepted.

PROGRAM: Although we do have a program in place, we do a lot of spontaneous play throughout the day – these activities/games are often suggested by the children. To foster the children's creative and imaginative skills we allow them to implement and participate in these activities. Therefore, if you ask your child if they have participated in one of the activities on the program and they answer "No, we didn't do that today", please take the time to ask them what they did do instead.

PERSONAL ITEMS: Please ensure all items are labelled, including clothing. We strongly discourage children bringing toys or games from home unless specifically organised with the Director. **Trading cards (specifically Pokémon) are not allowed at all.** Children are not permitted to have phones and smart watches on their person unless discussed with the Director prior to arrival. Whilst our staff aim to ensure all children's belongings are cared for, the service accepts **no** responsibility for items bought from home.

If you have any queries, please feel free to contact us. Ph: **3340 8899** | Email: **oshc@redeemer.com.au**
We look forward to having an enjoyable and exciting vacation care with your children.

If this occurs I understand that I will be liable for all legal and administrative costs incurred by the Service in administering the liquidated debt and acknowledge and agree to indemnify the Service of these costs.
2. I the parent/guardian agree that the information provided in this application is true and correct and can be relied upon by the Service.
3. I the parent/guardian agree to notify the Service immediately should there be any change in circumstances from the details as outlined in the enrolment form including living arrangements of the child and/or parent/guardian within 7 days of the date of such a change.
4. I understand that fees are payable in advance. All accounts that do not have a zero balance prior to the next statement run will incur an *Overdue Account Fee*. Fees are payable as per the enrolment agreement regardless of whether a statement is issued.
5. I the parent/guardian agree to pay outstanding fees and cancellation fees where applicable together with all debt recovery expenses including fees, court costs, legal fees reasonably incurred by the Service.
6. In the case of a default of payment, I the parent/guardian acknowledge that any enrolment information specifically required for the purpose of debt recovery and identification of individuals in default may be forwarded to the collection agency for legal recovery action.
7. I understand that in the case of a default on payments for child care fees, enrolment details may be listed on the National Default Registry for a period of six (6) years and thirty days or until paid.
8. I the parent/guardian acknowledge that care may be refused in the case of a default.

Paragraph 85BA(1)(b) of the Family Assistance Act provides that an individual is eligible for CCS where, among other requirements, the individual has incurred a liability to pay for a session of care under a complying written arrangement. Such an arrangement must clearly establish a liability to pay for sessions of care in order for an individual to be eligible for CCS for a session of care.

The service must submit an enrolment notice in the Child Care Subsidy (CCS) system, by law, within 7 days of signing a CWA.

Please be aware you will only be entitled to receive subsidy once the CWA has been signed by you on the 'myGov' portal

Types of arrangement

There are four types of arrangement:

- Complying Written Arrangement
- Relevant Arrangement
- Additional Child Care Subsidy (child wellbeing) - provider eligible arrangement
- Arrangement with an organisation (third party).

An enrolment notice is required for each child attending the service, for any kind of arrangement. The description, and eligibility, of each type of arrangement is set out in the table below.

The enrolment notice will reflect the type of arrangement that is in place between the provider and the family/individual or organisation.

Arrangement Type	Description	Is Child Care Subsidy/ Additional Child Care Subsidy payable?
<p>CWA Complying Written Arrangement</p>	<p>A Complying Written Arrangement must set out the following:</p> <ul style="list-style-type: none"> the names and contact details of the provider and the individual(s) the date that the arrangement starts the name and date of birth of the child (or children) if care will be provided on a routine basis, and if so: <ul style="list-style-type: none"> details about the days on which sessions of care will usually be provided, and the usual start and end times for these sessions of care whether care may be provided on a casual or flexible basis (in addition to, or instead of, a routine basis) details of fees to be charged under the arrangement (this can be by reference to a fee schedule or information available on the provider's website maintained by the provider), that the parties understand may vary from time to time. <p>Additional information can be included to support the individual's understanding of their payment obligations.</p>	<p>Yes - Child Care Subsidy or Additional Child Care Subsidy</p>
<p>RA Relevant Arrangement</p>	<p>An arrangement between the provider and individual for the care of a child that does not meet the full requirements for a Complying Written Arrangement.</p> <p>Child Care Subsidy is not payable for care provided under a relevant arrangement. This type of enrolment notice is used only where a provider is sure that the family does not wish to claim Child Care Subsidy for the sessions of care they are going to provide, or the child's eligibility is not confirmed.</p>	<p>No</p>
<p>ACCS Additional Child Care Subsidy (child wellbeing) - Provider Eligible Arrangement</p>	<p>Where a provider has identified a child is at risk of serious neglect or abuse, but no eligible individual can be identified. In this case, the provider effectively becomes eligible for Additional Child Care Subsidy for that child, rather than an individual.</p>	<p>Yes - Additional Child Care Subsidy</p>
<p>OA Arrangement with an organisation (third party)</p>	<p>Made when another party (for example, an employer, other organisation, or the state - such as for participants in the Adult Migrant English Program) is liable for the fees for care of the child.</p>	<p>No</p>

Paracetamol/Ibuprofen Authorisation

The MEDICATION, PARCETAMOL AND NATURAL REMEDIES Policy states:

An initial dose of Paracetamol/Ibuprofen may be administered for the purpose of lowering the child's temperature for children who have a signed permission form. Attempts will be made to call a Parent/Guardian or Authorised Nominee [Medical] before administering Paracetamol/Ibuprofen, however, if a Parent/Guardian or Authorised Nominee [Medical] cannot be reached, the Service will proceed to administer the Paracetamol/Ibuprofen.

In the interim and for children without a permission form, the following methods will be used to lower the temperature - removal of excess clothing, giving clear fluids, a damp cool face washer on face or back of neck, monitoring the child's behaviour (e.g. alertness).

If the temperature continues to rise above 38 degrees, despite being given Paracetamol/Ibuprofen (for children with a signed permission form) and the above alternative methods have not worked and parents/guardians cannot be contacted, an ambulance will be called.

Our Service uses the following Paracetamol and/or Ibuprofen product[s];

GSM-Parent, Visitor and Adult Occupant Code of Conduct

V10.21

A Code of Conduct provides guidelines for desirable and appropriate behaviour of all parents, visitors and adult occupants and reflects the values and beliefs of the Service. The Code of Conduct is designed to provide principles and practices to guide adult behaviour.

This Code of Conduct outlines the behaviours we require all adults working and attending our Service and/or Family Day Care Educator's homes to follow. It will assist in ensuring the safety and wellbeing of children, families, educators and staff.

Management has a legal responsibility to provide a safe and happy environment for all children and staff attending the service. Employers have a responsibility to provide, as far as practicable, a safe workplace that is free from discrimination, bullying and/or harassment. We ask that all parents/guardians/authorised nominees read and adhere to the standard of conduct below.

In relation to the children:

- Be a positive role model at all times.
- Always speak in an encouraging and positive manner.
- Listen actively to children and offer empathy, support and guidance where needed.
- Regard all children equally and with respect and dignity.
- Physical contact with children other than your own should be avoided, unless directed by an Educator, or if the safety of a child is compromised.
- All interactions with children should be undertaken in the presence of an Educator.
- Never do things of a personal nature for a child that he or she can do by him- or herself. For example, assisting him or her in going to the toilet.

In relation to other adults:

- Use respectful, encouraging and acceptable language.
- Respect the rights of others as individuals.
- Give encouraging and constructive feedback rather than negative criticism.
- Accept the staff's decisions and follow their directions at all times. Speak with the staff or Service Leader if you have any problem complying with any direction.
- Be aware of routines and guidelines for children's play within the Service. Abide by them, and seek advice when unsure.
- Any matter or concern related to managing children's behaviour should be referred to the staff immediately. Never reprimand another person's child.
- Refrain from public criticism of children and adults, either at the Service, Educators home or at functions outside of the Service.
- Any issue or grievance should be raised as outlined in the Service's Grievances and Complaints Procedure.
- Under NO circumstance should a child, parent/guardian or educator/staff member be approached directly in a confrontational manner.
- Smoking is prohibited on the property at all times. This includes the Service, Educators home during business hours, School and/or Church site.
- Respect the various cultural and linguistically diverse staff and families who attend the centre.
- Use the Service car parks appropriately and as they are marked e.g. Disabled car parks, keep clear signage etc.

- Do not enter restricted areas such as the kitchen, office and planning rooms unless you are with a staff member or Educator.
- Understand that sometimes Educators may need to discuss behavioural difficulties, developmental issues etc with you and that they have the best interests of your child in mind when they are discussing this.
- Read the Service policies and ask questions if you require clarification of any content.
- Respect the policies and procedures that have been implemented to ensure the smooth running of the Service.
- Understand that QLECS does not support staff providing any outside services such as babysitting/child minding to families enrolled at the Service, due to the conflicts this can cause.
- Understand that staff and Educators are not permitted to have families as friends on personal social networking sites, with the exception of family members or where a relationship was established prior to enrolment. QLECS values all employees as professionals and encourages professional relationships between clients and staff
- Be responsible for any child you bring to the Service if they are not enrolled. This includes supervising them at all times to ensure they are safe, not causing damage to Service property and are interacting safely and appropriately with other children.
- During operating hours at an Family Day Educators home and during rostered contact time in our centre based Services an Educator's primary focus is the care of the children.
- Arrival and departure times should coincide with the agreed booked times as per your enrolment to minimise disruptions to the program and routines

A breach of this policy may result in your child's enrolment being terminated.

Please ensure your emergency contacts and authorised nominees are aware of the Code of Conduct for Parents and Visitors.
